

WVSSA **DATE:** _____
Exception Agreement
Isolation Distance Encroachment

The *Company A*; _____, a member of WVSSA, is planting a seed crop of *species / type*; _____, for the harvest year; _____, in the *map location of*; _____.

According to WVSSA isolation rules this isolation is currently held in priority by the grower of Company A and requires a; ____ mile isolation from crops of the same species.

Company A is willing to allow *Company B*; _____, to encroachment onto their crop isolation distance and plant a seed crop of *species / type*; _____, for harvest year; _____, within; _____, mile of their crop isolation. This is to be allowed only for the year of harvest stated.

This agreement acknowledges:

1. This isolation trespass is to be allowed for the crop and company named above only for the crop and harvest year indicated.
2. This agreement does not establish an isolation priority for Company B, or the grower.
3. The priority isolation currently held by the grower of Company A is maintained.
4. Is to be established by companies who also agree on their own to lessen the established isolation distance for their own crop.

Company A: _____ *Date* _____

Company B: _____ *Date* _____

* Suggest three signed copies: one copy held by each company and one held by the association until after the pinning deadline for crops of the same species. Copies to each grower involved.
